Sonic and the Super Mario Bros. (Production Code: DAOSSMB)

Based on Adventures of Sonic The Hedgehog and Adventures of Super Mario Bros. 3.

Episode 1 - Robotnik's Dumb-bots

It was a dark and stormy night at Robotnik's fortress as a lot of banging was going off inside. Inside was a scientist called Dr. Robotnik that wanted to be dictator of Mobius and his lankeys, Scratch & Grounder. One was a chicken and the other was a tank. Robotnik was holding something that looked like a green ray gun.

Dr. Robotnik chalked out, "I have finally found a way to defeat that prickly pincushion by shooting him with this Ultra Blaster-a-hedgehog-away."

Scratch looked at the thing and shouted to his master, "That's great, your excellentness."

Grounder responded to Robotnik has well, "Don't tell me, we use that Ultra Blaster-thingyamagiggy on Sonic. I'm fed up of that!"

Dr. Robotnik got hold of his two robots and strangling them with his hands on their necks.

"If you don't catch that hedgehog, you WILL be DESTROYED!", Robotnik bellowed out.

Dr. Robotnik then let go of Scratch & Grounder, Scratch is breathing very heavily.

Grounder asked, "Hey, how come Dr. Robotnik made you breathe?"

"He made me more personified, he made YOU too dumb to be clever!" Scratch replied back to his "brother".

Episode 2 - King Koopa is Defeated Again! (The title card is Water Land and playing music from the same zone.)

The overworld theme is playing as Mario, Luigi, Princess Toadstool and Toad are walking down a road with Mushroom Kingdom trees and each side which also there are ? blocks.

Mario spoke, "It's sure is a nice day to be out, isn't it Luigi."

"You said it Mario, tomorrow we'll watch the Adventures of Mighty Plumber on our Brooklyn TV set", Luigi replied.

Toad rubbed his polka dot head and asked, "Why do you still what dat show?"

"Well.... It would help us on our next plumbing job", replied Mario.

There is a strange looking ship coming out of the clouds, playing the Airship theme.

Princess Toadstool yelled, "Oh no! It's King Koopa's doomship and it's coming towards Water Land."

Meanwhile in Water Land, King Koopa and Kooky von Koopa are inside the Doomship planning the attack.

"This is a Kooparific day to become a dictator," proudly spoke King Koopa.

Kooky replied, "All thanks to this device, the water drainer we will be leaders of Water Land. Wahhawhaha."

"Turn on the machine Kooky, now!"

"Okay, Okay, keep your claws on King Dad"
